**WEATHER WARNING**

This is to inform all public that as per the weather forecast issued by the India Meteorological Department, the following is forecast in Ri bhoi district w.e.f. 27th April, 2026 to 1st May, 2026.

1. **27th April, 2026** – Thunderstorm/lightning with very heavy rainfall and gusty wind speed of 40–50 kmph.
2. **28th April, 2026** – Thunderstorm/lightning with very heavy rainfall and gusty wind speed of 40–50 kmph.
3. **29th April, 2026** – Thunderstorm/lightning with very heavy rainfall and gusty wind speed of 40–50 kmph.
4. **30th April, 2026** – Thunderstorm/lightning with very heavy rainfall and gusty wind speed of 40–50 kmph.
5. **1st May, 2026** – Thunderstorm/lightning and heavy rainfall with 40–50 kmph gusty wind.

The following advisory (in English and Khasi) is issued as precautionary measures for public in the event of heavy rainfall, thunderstorm and lightning.

**ADVISORY**

- Ensure safe keeping of all objects such as lumber piles, loose tin sheets, loose bricks, garbage cans, signboards, etc., which might be blown away in strong wind.
- Switch off all electrical appliances like electric iron, mobile charger, television set, etc., if lightning persists.
- People are required to take extra care during heavy rainfall as there is a likelihood of flash floods, especially in areas near rivers and streams.
- People are requested not to go near water bodies or walk through moving water and stay away from streams, drains, culverts, rivers, and waterfalls, as currents can be deceptive and fast-moving water can knock you off your feet.
- Do not drive through flooded areas and stay away from electric poles or power lines to avoid electrocution.
- Do not venture into streams, rivers, and waterfalls.
- Dial **112** for assistance during disaster.
- For emergency please contact the District Emergency Operation Centre, DC's Office, Ri Bhoi District, Nongpoh 6009906348.
